People Who Can Help

Read this section to learn about the people who can help you.

With all the different things you're learning and going through, you may feel overwhelmed. But there are people who can help you. Click on the links below to find out who they are.

[Educators and Schools](#)

<http://www.raisingdeafkids.org/help/people/educators.jsp>

Read this page to learn who the people are who can teach your child.

[Health Care Professionals](#)

<http://www.raisingdeafkids.org/help/people/healthcare.jsp>

Audiologist? ENT? Who are all these people? Read this section to find out what these people do, and how they can help your child.

Want to know more? Find the [office in your state that can help you get early intervention help](http://www.cdc.gov/ncbddd/ehdi/documents/stateHL_contacts.pdf) (http://www.cdc.gov/ncbddd/ehdi/documents/stateHL_contacts.pdf).
