Your Child's Rights

Read this section to find out how the law can help you.

Having a child with hearing loss may make you feel overwhelmed. But there are laws to help you.

Some laws make it illegal to treat people with hearing loss differently. Others spell out how government programs can help families like yours. Read about these laws and your rights in this section.

[Early Intervention](#)

(<http://www.raisingdeafkids.org/information/rights/ei.jsp>)

Read about how you can help your child get a good start in life.

[Going to School](#)

(<http://www.raisingdeafkids.org/information/rights/school/>)

Read about the laws that help your child get a good education.
