## Help in School

**Get extra help for your child to do well in school.**

If your child goes to a public school, or a school for the deaf, he can get extra help. Read this page to find out what this help is, and how to get it.

### Extended School Year

(<http://www.raisingdeafkids.org/learning/help/esy/index.jsp>)

Does your child forget a lot of what he learned over the summer? He may need extra help. Read this page to find out what kind of help he can get.

### School Interpreters

(<http://www.raisingdeafkids.org/learning/help/interpreters/index.jsp>)

If your child goes to class with hearing children, school interpreters can help him communicate.

Speech Therapy (<http://www.raisingdeafkids.org/learning/help/speech/index.jsp>)

A speech therapist can help your child improve his speech and language skills.

**Learn more about help you can get in school:**

- To learn more about technology that can help your child, read our page on assistive listening devices. (<http://www.raisingdeafkids.org/help/tech/ald/index.jsp>)
- Want to know how you can get this help? Read our pages on your child's rights. (<http://www.raisingdeafkids.org/learning/rights/index.jsp>)
